

East Village Association, Inc. Committees

Executive Committee:

President: James Haug **Vice President:** Simon Andrews **Treasurer:** Tod Firotto **Secretary:** Claudine Scott

At Large Board Members:

Todd Brown, Nick Capo, Roberto Castro, Brendan Foote, Glenna Gasper, Jon Gordon, David Hazan, Jerry Navarra, Randy Rivera, Harry Schwartz, Claudine Scott, Crystal Stasch, Robert Weichelt

Community Issues Committee:

Chair: Jon Gordon

This committee meets once a month, on the second Tuesday of the month, and is designed to collaborate with government and community groups to reduce homelessness, work with the Downtown San Diego Partnership “*Clean and Safe*” program to improve downtown’s appearance and enhance public safety, and to support and promote sustainable green practices, as some *working examples*.

Finance Committee:

Chair: Tod Firotto

This committee meets on an as-needed basis, and is designed to review the draft budget, to review audit/tax forms, and other monetary review activities as needed. This committee helps to support financial stability, compliance with local, state, and federal regulations, and makes recommendations to the EVA Board to ensure that EVA operates efficiently and responsibly.

Marketing / Outreach Committee

Chair: James Haug Special Events Chair: Glenna Gaspar, Todd Brown

This committee meets once on a month, on the first Thursday of the month, and is designed to plan, review, and provide guidance on EVA’s overall comprehensive marketing and active communication strategy for the purposes not limited to stakeholder recruitment, program messaging, fundraising for special programs, awareness and branding; and to review special event requests from community organizations in order to make support/opposition recommendations to the EVA Board.

Parking / Transit Committee:

Chair: Harry Schwartz

This committee meets once a month, on the second Thursday of the month, and is designed to plan, implement, and encourage smart growth transportation initiatives to include smart parking configuration, walkability, bicycle programs, neighborhood accessibility, and future transportation initiatives that compliment the City of San Diego’s Sustainable Community Strategy and the Downtown Mobility Plan.

Placemaking Committee:

Chair: Brendan Foote

This committee meets on an as-needed basis, and is designed to promote neighborhood beautification projects through physical upgrades intended to enhance and activate the East Village neighborhood.

Pre-Design Committee:

Chair:

This committee meets on an as-needed basis, in conjunction with the East Village Residents Group (EVRG), and is designed to provide pre-design reviews for future developments in East Village, and to create project support/opposition positions for Civic San Diego consideration.
